Fax: 412-379-0053

Dear Parents/Guardians:

Earlier today, the school district received notification from the Brentwood Police regarding two incidents that occurred yesterday afternoon in the borough. On Tuesday, October 7th in two separate incidents along Brownsville Road, an unidentified male forcefully grasped an adult female walking alone before immediately fleeing the scene. The first incident was in the vicinity of Brentwood Bank. The second incident was in the area of Elton Avenue and Brownsville Road. The Brentwood Police stated that Pittsburgh Police are also investigating a similar incident that occurred last week near the border of Brentwood and Carrick.

The following description of the unidentified male suspect has been provided by the Brentwood Police:

White male between mid 30's and early 40's in age; 5'6" to 5'8" in height; heavy set with a noticeable beer belly; light colored hair and mustache, possibly strawberry blonde hair and possibly balding; last seen wearing a dark blue or purple shirt with grey or khaki pants; both victims stated that there appeared to be something wrong with the assailant

If you observe someone fitting this description, you should immediately contact the Brentwood Police or 911.

Even though the incidents were isolated to adult females, we believe you need to be aware of this information. Please take the time to stress with your children the importance of being observant of their surroundings as they travel to and from school, to avoid interaction with strangers, to travel with another student or in groups; and to report any suspicious situations to you or school personnel. The school staff will continue to reinforce these important safety practices with your children.

Sincerely,

Ronald W. Dufalla, Ph. D.
Superintendent of Schools

Joseph Kozarian
Director of Security and Facilities
